## Data element attributes

## Collection and usage attributes

**Collection methods:** Record the number of hours worked by a paid [contact worker](#) in the face-to-face delivery of an early childhood education program during the reference period.

Preparation time and other hours worked that are not related to face-to-face delivery of the early childhood education program are excluded.

Jurisdictions which adopt a two week reference period are required to derive their data to a representative reference week.

Round to the nearest hour.
