Identifying and definitional attributes

Metadata item type:	Data Set Specification
METEOR identifier:	738452
Registration status:	Health , Standard 15/04/2021
DSS type:	Data Set Specification (DSS)
Scope:	<p>The scope of the Your Experience of Service National Best Endeavours Data Set (YES NBEDS) is state and territory public sector Specialised mental health services.</p> <p>Specialised mental health services are those with a primary function to provide treatment, rehabilitation or community support targeted towards people with a mental disorder or psychiatric disability. These activities are delivered from a service or facility that is readily identifiable as both 'specialised' and 'serving a mental health care function'.</p> <p>A service is not defined as a specialised mental health service solely because its clients include people affected by a mental disorder or psychiatric disability.</p> <p>The definition excludes specialist drug and alcohol services and services for people with intellectual disabilities, except where they are specifically established to assist people affected by a mental disorder who also have drug and alcohol related disorders or intellectual disability.</p> <p>The services can be sub-units of hospitals that are not, themselves, specialised mental health establishments (for example designated psychiatric units and wards, outpatient clinics etc).</p>

Collection and usage attributes

Statistical unit:	Person

Source and reference attributes

Submitting organisation: Mental Health Information Strategy Standing Committee

Steward: [Australian Institute of Health and Welfare](#)

Origin: This survey was developed under the guidance of the Mental Health Information Strategy Standing Committee (MHISSC) as part of the Commonwealth Consumer Experiences of Care project. It aims to give effect to the commitments in the Fourth National Mental Health Plan to strengthen the focus of the mental health sector on measures of consumer experiences of care.

The Victorian Department of Health was contracted to deliver this project by the then Australian Government Department of Health and Ageing.
