National Healthcare Agreement: PI 26–Residential and community aged care places per 1,000 population aged 70+ years (and Aboriginal and Torres Strait Islander people aged 50–69 years), 2022

Identifying and definitional attributes

Metadata item type:	Indicator
Indicator type:	Progress measure
Short name:	PI 26–Residential and community aged care places per 1,000 population aged 70+ years (and Aboriginal and Torres Strait Islander people aged 50–69 years), 2022
METEOR identifier:	740826
Registration status:	Health , Standard 24/09/2021
Description:	<p>Operational residential places per 1,000 people aged 70 years or over, (and Aboriginal and Torres Strait Islander people aged 50–69 years).</p> <p>Home Care Package recipients plus other programmes' community aged care places per 1,000 people aged 70 years or over (and Aboriginal and Torres Strait Islander people aged 50–69 years), excluding services funded through the Commonwealth Home Support Programme (CHSP).</p>
Indicator set:	National Healthcare Agreement (2022) Health , Standard 24/09/2021
Outcome area:	Aged Care Health , Standard 07/07/2010

Collection and usage attributes

Population group age from:	70 years (total population) 50 to 69 years (for the Indigenous population)
Computation description:	<p>Aged care places are residential and community aged care places provided under the <i>Aged Care Act 1997</i> and services delivered under the National Aboriginal and Torres Strait Islander Aged Care Strategy.</p> <p>'Residential aged care' includes Multi-Purpose Services and places delivered under the National Aboriginal and Torres Strait Islander Flexible Aged Care and Innovative Care Programs.</p> <p>'Community aged care places' comprises Transition Care, Short-Term Restorative Care, Multi-Purpose Services and packages delivered under the National Aboriginal and Torres Strait Islander Aged Care Strategy and Innovative Care Pool.</p> <p>Since 27 February 2017, Home Care Packages (HCP) have been allocated directly to consumers rather than places being allocated to regions and providers. As a result, the concept of HCP places no longer applied from that date.</p> <p>From 30 June 2017, numbers of HCP recipients are included in the community aged care places and added to the places allocated to the programs listed above.</p> <p>Presented per 1,000 population.</p>
Computation:	$1,000 \times (\text{Numerator} \div \text{Denominator})$ Calculated separately for residential and community aged care services.

Numerator: Number of operational residential aged care places at 30 June / number of operational flexible community aged care places plus number of HCP recipients at 30 June

Numerator data elements:

Data Element / Data Set

Number of Home Care Package recipients at 30 June

Data Source
