## Child protection substantiation

### Identifying and definitional attributes

Metadata item type: Object Class

METEOR identifier: 741600

Registration status: Children and Families, Standard 26/05/2021

**Definition:** An instance where an investigation has concluded there is reasonable cause to

believe that a child has been, was being, or is likely to be abused or neglected or

otherwise harmed.

Context: Child protection

#### Collection and usage attributes

Guide for use: Substantiation does not necessarily require sufficient evidence for a successful

prosecution, and does not imply that treatment or case management was, or is to be, provided. Substantiations may also include cases where there is no suitable caregiver, such as children who have been abandoned or whose parents are

deceased.
