## Collection and usage attributes

**Guide for use:** Child sexual exploitation is a form of child sexual abuse that occurs when an individual or group attempts to or succeeds in coercing, manipulating or deceiving a child into contact or non-contact sexual acts:

a) in exchange for something including, but not limited to, money, gifts or accommodation or less tangible goods such as affection or status, and/or

b) for the financial advantage, increased status or other reward for the person/people exploiting the child.

A child over the legal age of consent may have been sexually exploited even if the sexual act appears consensual.
