Online Services Report Data Collection

Exported from METEOR (AIHW's Metadata Online Registry)

Online Services Report Data Collection

Identifying and definitional attributes

Item type:	Data Source
METEOR identifier:	742101
Description:	The Online Services Report (OSR) collects organisation-level information from Aboriginal and Torres Strait Islander specific health care organisations funded by the Australian Government under its Indigenous Australians' Health Programme (IAHP), with data provided to the AIHW. It includes information about services offered at primary health-care and other organisations and activities undertaken.
