Approved carer

Identifying and definitional attributes

Metadata item type: Glossary Item

METEOR identifier: 742264

Registration status: Children and Families, Standard 26/05/2021

Definition: An approved carer is anyone authorised under a relevant state of territory

legislation, including third party parental orders, to have full or partial parental

responsibility and/or care responsibility for a child or young person.

For children or young people placed in <u>out-of-home care</u> this includes carers:

who have undergone the relevant screening/selection and approval process;
 and

 who have received authorisation from the relevant department or agency to enable a child or young person to be placed in their care, including carers who have received provisional authorisation; and

 for whom reimbursement is available from a government authority or nongovernment organisation for expenses incurred in caring for the child or young person who are part of an ongoing review process.

Context: Child protection
