Relational attributes

Implementation in Data Set Specifications: [Mental Health Carer Experience of Service NBEDS Health](#), Standard 10/06/2022

Implementation start date: 01/07/2022

DSS specific information:

This relates to question 35 of the Mental Health Carer Experience Survey. The full question is:

35. What is your relationship to the family member, partner or friend for whom you are a carer? The person I care for is:

This question defines the relationship between a carer and a [mental health consumer](#). For example, a response of "My mother or father" means that the carer is caring for their mother or father. The mother or father is the mental health consumer who is the client of the service.
