

Person held responsible (Child protection)

Identifying and definitional attributes

Metadata item type: Glossary Item

METEOR identifier: 749539

Registration status:

- [Children and Families](#), Standard 03/11/2021

Definition: A person held responsible is someone assessed as being responsible for an abusive act (including acts of commission or omission). For instances of [abuse of children in care](#), the person held responsible is someone who is an [approved carer](#), another person [living in the household](#) or care facility (including other children), an [employee of the responsible care service/agency or government department](#), or a person not living in the household (only where an approved carer or employee of the responsible care service/agency or government department failed to protect the child or their action/inaction contributed to the abuse).

Context: Child protection.
