|------------------------------|---|-----------------------------------|
|                              | 4 | Usually                           |
|                              | 5 | Always                            |
|                              | 6 | Not needed                        |
| <b>Supplementary values:</b> | 9 | Not stated/inadequately described |

## Collection and usage attributes

**Guide for use:** Code 9 includes those answers deemed to be illegible and where the respondent has selected multiple responses for the question.

## Source and reference attributes

**Submitting organisation:** Australian Institute of Health and Welfare

## Data element attributes

### Source and reference attributes

**Submitting organisation:** Australian Institute of Health and Welfare

### Relational attributes

**Implementation in Data Set Specifications:** [Mental Health Carer Experience of Service NBEDS Health](#), Standard 10/06/2022

**Implementation start date:** 01/07/2022

**DSS specific information:**

This relates to question 9 of the Mental Health Carer Experience Survey. The full question is: As a carer with a family member, partner or friend who had contact with this mental health service in the last three months, how often did the following occur?

9. You were identified as a carer of your family member, partner or friend.
