Seq No.	Metadata item	Obligation	Max occurs
-	Establishment—data estimated indicator, yes/no code N	Mandatory	11
DSS specific information:			
This data element is used to indicate where financial data have been estimated rather than directly sourced from the general ledger, audited accounts or other financial systems.			
The Public Hospital Establishments National Minimum Data Set Working Group strongly supported the inclusion of a data element to indicate where data had been estimated or apportioned, as a way of informing data users of situations where the data do not reflect the actual items in the general ledger.
