Collection and usage attributes

Guide for use:

CODE 1   Residential aged care (Permanent)

This code is used where the program type is residential aged care, consisting of aged care delivered to people in residential aged care facilities (commonly known as nursing homes or aged care homes) for people with complex care needs. This code applies where residential aged care is provided on a permanent or ongoing basis. Where residential aged care is provided as respite (time-limited) use code 2.

CODE 2   Residential aged care (Respite)

This code is used where the program type is residential aged care, consisting of aged care delivered to people in residential aged care facilities (commonly known as nursing homes or aged care homes) for people with complex care needs. This code applies where residential aged care is provided as respite basis, that is, time-limited. Where residential aged care is provided on a permanent (ongoing) basis use code 1.

CODE 3   Home Care Packages Programme

This code is used where the program type is Home Care Packages Programme, consisting of Australian Government funded aged care packages that supports people with complex care needs to live independently in their own homes through 4 levels of packages.

CODE 4   Transition Care Program

This code is used where the program type is Transition Care Program, consisting of time-limited care to help eligible people recover after a stay in hospital. Care may be provided in the home, an aged care home or in the community for up to 12 weeks.

CODE 5   Short-Term Restorative Care

This code is used where the program type is Short-Term Restorative Care, consisting of time-limited care that is delivered to help eligible people improve their wellbeing and independence. Care may be provided in the home, an aged care home or in the community. Support may be provided for up to 8 weeks.

CODE 10   Other

This code is used where the program type is Innovative Pool or other legacy aged care programs.

CODE 11   None

This code is used when no program type is applicable.

CODE 97   Not Applicable
