CODE 1 Lives alone

The person lives on their own. A person living alone in a private room within a retirement village, aged care facility, boarding house etc. should be coded as CODE 04 'Lives with others', except in those instances in which they are sharing their own private space/room within the premises with a family member (in which case code as CODE 02 'Lives with family – partner only' or CODE 03 'Lives with family – other').

CODE 2 Lives with family – partner only

The person lives with their partner only. Includes registered marriages and de facto relationships.

CODE 3 Lives with family – other

The person lives with family members. Family members may include the person's partner but if they live with their partner only, the person should be coded as CODE 2 'Lives with family – partner only'. If the person's household includes both family and non-family members, the person should be coded as living with family.

CODE 4 Lives with others

The person lives with non-family members.

CODE 10 Other

The person's living arrangements are not described by CODE 1–CODE 4.
