Includes sporting club/organisation information (e.g. pony club, basketball club)

CODE 11 Sporting and/or recreation facility record

Includes sporting/or recreation facility information (e.g., indoor stadium, aquatic centre)

CODE 12 Tertiary education setting record

Includes tertiary education setting information.

CODE 88 Other setting record

Includes other information not captured above.

## Source and reference attributes

**Submitting organisation:** Australian Institute of Health and Welfare

## Data element attributes

## Collection and usage attributes

**Comments:** This item describes the immediate source of where the injury data is collected.

Injury records will differ in the variety of settings. Insurance records are often compiled a significant time after the injury and be a compilation of medical and allied health records. The amount of information related to treatment will also differ between the sources.
