Changelog - 4th May 2022

METEOR Platform Upgrade!

You may have noticed quite a few changes with the METEOR platform. There are too many to list here! Some examples of changes are;

- # Reskin to the platform and menu items
- # Registration and password resets are self service and managed via Azure B2C
- # Workgroup access needs to be requested again by contacting our email address.
- # Continual improvements should routinely added to the system and the Changelog.

View the training videos linked via our [FAQs](#) or [Contact us](#) for using the system. Alternatively please contact us for any further assistance you require.
