Service event—data estimated indicator, yes/no/not stated/inadequately described code N[N]

Identifying and definitional attributes

Metadata item type: Data Element

Short name: Estimated service event data indicator

METEOR identifier: 788775

Registration status: Children and Families, Standard 04/04/2024

Definition: An indicator of whether data relating to a service event have been estimated, as

represented by a code.

Context: Child protection.

Data Element Concept: Service event—data estimated indicator

Value Domain: Yes/no/not stated/inadequately described code N[N]

Value domain attributes

Representational attributes

Representation class: Code

Data type: Boolean

Format: N[N]

Maximum character length: 2

Value Meaning

Permissible values: 1 Yes

2 No

Supplementary values: 99 Not stated/inadequately described

Collection and usage attributes

Guide for use: CODE 99 Not stated/inadequately described

This code is not for use in primary data collections.

Source and reference attributes

Submitting organisation: Australian Institute of Health and Welfare

Data element attributes

Collection and usage attributes

Guide for use: CODE 1 Yes

To be used when data relating to a service event have been estimated.

CODE 2 No

To be used when data relating to a service event have not been estimated.

CODE 99 Not stated/inadequately described

To be used when the information is not stated or otherwise inadequately described

(e.g. when a response has not been recorded.)

Implementation in Data Set Child protection DSS 2022–23

Specifications: Children and Families, Standard 04/04/2024

Implementation start date: 01/07/2021 Implementation end date: 30/06/2023

DSS specific information:

In the Child Protection DSS this data element is collected with the <u>Safety in care</u> (SC) file cluster.

This data element is collected with the element <u>Service event—living arrangement</u> <u>type, at time of abuse code N[N]</u>, and records whether an estimated living arrangement at the time of abuse was used.

Code 99 'Not stated/inadequately described' should be used if the associated 'Living arrangement' data is unable to be provided.
